### CHOATE AGREES.

Investigators.

New York, March 9,-It was officially announced at the offices of the Mutual Life Insurance company Wednesday that Joseph H. Choate has accepted the pochoice. No music will be sition of attorney to the Mutual's selfinvestigating committee recently vacated by James B. Dill when Stuyvesant

Pish left the committee.

It is understood that Mr. Cheate insisted on assurance that the investigation would be thorough in every line of the company's affairs, and that he would be absolutely unhampered in his work as counsel. There was some doubt in Mr. Choate's mind as to the propriety of his accepting a retainer from the committee and acting as counsel for the company in the McCurdy and Raymond & Co. suits at the same time. The members of the committee, it is said, assured him that his relation with the company would not interfere in the least with his work in the committee.

It is likely that a third member, to take the place left vacant by the resignation of Mr. Fish, will be named in a

few days. Samuel Untermyer, counsel for the newly organized international policyholders' committee, was in Boston Wednesday. It is said that he had a talk with Thomas W. Lawson, and that Lawson agreed to sever himself entirely from the movement which he has been organizing against the Mutual Life and turn his proxies over to the new com-mittee. The personnel of the Fish com-mittee will be announced in a few days.
